PATIENT AUTHORIZATION AND AGREEMENT

Bristol-Myers Squibb Company ZEPOSIA 360 Support™ is a support program by Bristol-Myers Squibb Company (BMS) that helps patients understand their insurance coverage and financial support options for ZEPOSIA® (ozanimod), as well as educational, nurse, lab, and diagnostic support services and free medication to qualified patients (the "Program"). To participate in the Program, BMS will need to receive, use, and disclose your personal information. You also have the option to participate in the ZEPOSIA 360 Support Co-pay Assistance Program by separately enrolling below. Please read this authorization carefully, and contact ZEPOSIA 360 Support at 1-833-ZEPOSIA (833-937-6742) if you have any questions. Once you have read and agreed to this form, fax your signed copy to 833-727-7701.

- 1. What information will be used and disclosed? My personal information will be disclosed, including: The information on the Program enrollment form; my contact information, date of birth, and phone carrier/device information (for calls and texts); professional and employment information, financial and income information, insurance information, health records and information, including diagnoses, medications, and lab tests and biometric and genetic information, including tests that identify the kind of illness that I have and/or medication indicated for my treatment.
- 2. Who will disclose, receive, and use the information? This authorization permits my health caretakers, which include my healthcare providers, pharmacies, lab service providers, diagnostic service providers, health plans, and health insurers who provide services to me, as well as other people who I say can help me apply, to disclose my personal information to BMS, the third parties it works with, and other authorized agents, subsidiaries, and assignees (collectively "BMS"). BMS may also share my information with my health caretakers and with other healthcare providers, pharmacists, health insurers, and charitable organizations to determine if I am eligible for, or enrolled in, another plan or program.
- **3. What is the purpose for the use and disclosure?**My personal information will be used by and shared with the persons and organizations described in this authorization in order to:
 - Process my application for the Program and provide services to me, including verifying my insurance benefits, assistance with prior authorizations from my insurance, researching alternative insurance coverage options, providing information and education about the services through a case manager, and referring me and my health caretakers to other plans, support, or assistance programs that may be able to help me with access to my medication, including screenings for other financial assistance options such as medication co-pay assistance
 - Provide me with healthcare services, including lab and diagnostic tests and related healthcare procedures related to ZEPOSIA. I understand these healthcare services are

- not provided, or employed, by my healthcare professional. I understand that my insurance may be billed for these services and that I may have a separate co-pay or cost-sharing obligation for using these services
- Provide free medication to me, if I am eligible
- Receive and/or purchase my information (including information about my prescriptions and insurance claims) from my health caretakers to determine if and where I am receiving my medication and whether I am no longer eligible for free medication or other BMS support programs
- Contact my health caretakers and me about the programs and the services that are available
- Contact other healthcare providers and charitable organizations to determine if I am eligible for, or enrolled in, another plan or program
- Contact me for marketing purposes, including providing me with information about my medication, refill reminders, surveys, and other information and alerts that BMS believes may be of interest to me (and some of which may be sent directly to my phone if I choose)
- Improve or develop the Program's services and other internal business purposes, including analytics
- BMS also may use my health information to combine it with other information BMS may collect about me and my ZEPOSIA treatment and use it for the purposes described above

Authorization for Sale of My Information to BMS: I authorize my health caretakers (including my healthcare providers, health plans, health insurers, pharmacies, lab service providers, and diagnostic service providers) to disclose my information for the purposes described in this authorization, and I further authorize my health caretakers to accept payment from BMS in exchange for providing my information as well as providing me with marketing and patient support services.

- 4. When will this authorization expire? This authorization will be effective for 5 years unless it expires earlier by law or I cancel it in writing. I may cancel this authorization by writing to: ZEPOSIA 360 Support, PO Box 310, Columbus, OH 43216. If I cancel this authorization, I will no longer be able to participate in the Program. The Program will stop using or disclosing my information for the purposes listed in this authorization, except as necessary to end my participation or as required or allowed by law. I understand that if I receive free medication, I must re-apply at least every year, sign this authorization again, and be accepted.
- 5. Notices: I understand that once my health information has been disclosed, privacy laws may no longer restrict its use, disclosure, or further re-disclosures. BMS may use and disclose my information for the purposes described in this authorization or as allowed or required by law. I understand that BMS does not sell or rent personal information collected about me from this Program. I have a right to receive a copy of this

To receive co-pay assistance or free medication from BMS, patients must comply with the Program rules and they may not be reimbursed for the assistance patients received from anyone else, including from an insurance program, another charity, or from a health savings, flexible spending, or other health reimbursement account. Assistance may be temporary and patients may be required to apply every year. Patients must contact the Program at 1-833-937-6742 if their insurance or treatment changes in any way. Medicare Part D patients may not count any free medication received toward their true out-of-pocket (TrOOP) costs.

SCREENING ASSISTANCE FOR ASSESSMENTS

Available for on-label commercially insured patients only. This offer is not valid for medical screenings for which payment may be made in whole or in part under federal or state health programs, including but not limited to Medicare or Medicaid, and for residents in RI. This program is subject to termination or modification at any time.

ZEPOSIA INITIATION RX (FREE TRIAL OFFER)

Patient must have a valid prescription for ZEPOSIA for an FDA-approved indication. Patient must be new to therapy and have not previously received a sample or filled a prescription for ZEPOSIA. Patient is responsible for applicable taxes, if any. This offer is limited to one use per patient per lifetime and is non-transferable. Cannot be combined with any other rebate/coupon, free trial, or similar offer. No substitutions permitted. Patients, pharmacists, and prescribers cannot seek reimbursement for the ZEPOSIA Free Trial from health insurance or any third party, including state or federally funded programs. Patients may not count the ZEPOSIA Free Trial as an expense incurred for purposes of determining out-of-pocket costs for any plan, including Medicare Part D true out-of-pocket costs (TrOOP). Offer is not conditioned on any past, present, or future purchase, including refills. Only valid in the United States and US Territories. Void where prohibited by law or restricted. The program is not insurance. Bristol Myers Squibb reserves the right to rescind, revoke, or amend this offer at any time without notice.

BRIDGE PROGRAM

The Bridge Program is available at no cost for eligible, commercially insured, on-label diagnosed patients if there is a delay in determining whether commercial prescription coverage is available, and is not contingent on any purchase requirement, for up to 24 months (dispensed in 30-day increments). The Bridge Program is not available to patients who have prescription insurance coverage through a state or federal healthcare program, including but not limited to Medicare, Medicaid, Medigap, CHAMPVA, TRICARE, Veterans Affairs (VA), or Department of Defense (DoD) programs. Appeal of any prior authorization denial must be made within 90 days or as per payer guidelines, to remain in the program. Eligibility will be re-verified in January for patients continuing into the following year, and may be at other times during program participation. Offer is not health insurance. Once coverage is approved by the patient's commercial insurance plan, the patient will no longer be eligible. Void where prohibited by law, taxed, or restricted. Bristol-Myers Squibb Company reserves the right to rescind, revoke, or amend this program at any time without notice. Other limitations may apply.

ZEPOSIA 360 CO-PAY ASSISTANCE PROGRAM

- ZEPOSIA Co-pay Program is valid only for patients with commercial insurance. The Program includes a prescription benefit offer for out-of-pocket drug costs and a medical assessment benefit offer for out-of-pocket costs for the initial blood tests, ECG screening, and eye exam where the full cost is not covered by patient's insurance.
- Patients are not eligible for the prescription benefit offer if they have prescription insurance coverage through a state or federal healthcare program, including but not limited to Medicare, Medicaid, Medigap, CHAMPVA, TRICARE, Veterans Affairs (VA), or Department of Defense (DoD) programs.
- Patients are not eligible for the medical assessment benefit offer if they have insurance coverage for their prescription or medical assessment through a state or federal healthcare program, or reside in Massachusetts, Minnesota, or Rhode Island. Patients who move from commercial plans to state or federal healthcare programs will no longer be eligible.
- Patients must be 18 years of age or older.
- Eligible patients with an activated co-pay card and a valid prescription may pay as little as \$0 per 30-day supply; monthly, annual, and/or per-claim maximum program benefits may apply and vary from patient to patient, depending on the terms of a patient's prescription drug plan and to ensure that the funds are used for the benefit of the patient, based on factors determined solely by Bristol-Myers Squibb. Some prescription drug plans have established programs referred to as "co-pay maximizer" programs. A co-pay maximizer program is one in which the amount of the patient's out-of-pocket costs is adjusted to reflect the availability of support offered by a co-pay support program. Patients enrolled in co-pay maximizer programs may receive program benefits that vary over time to ensure the program funds are used for the benefit of the patient. Patients will be evaluated for ongoing eligibility in the prescription copay program to continue enrollment in the program. In the event patients experience a change in insurance coverage or BMS makes changes to the copay assistance program, patients may be required to re-enroll into the program and provide updated insurance information to determine eligibility. Eligible commercially insured patients may pay as little as \$0 in out-of-pocket costs for the medical assessment, subject to a maximum benefit of \$2,000. The medical benefit offer only applies to clinical baseline assessment services covered by the Program. Patients are responsible for any costs that exceed the maximum amounts.
- To receive the medical assessment benefit, an Explanation of Benefits (EOB) form must be submitted, along with copies of receipts for any payments made.
- All Program payments are for the benefit of the patient only.
- Patients, pharmacists, and prescribers may not seek reimbursement from health insurance, health savings or flexible spending accounts, or any third party, for any part of the prescription or medical assessment benefit received by the patient through this Program.
- Patient's acceptance of any Program benefit confirms that it is consistent with patient's insurance and that patient will report the value received as may be required by his/her insurance provider.
- Program valid only in the United States and Puerto Rico. Void where prohibited by law, taxed, or restricted.
- The Program cannot be combined with any other offer, rebate, coupon, or free trial. The Program is not conditioned on any past, present or future purchase, including refills.
- The Program is not insurance. Other limitations may apply.
- Bristol Myers Squibb reserves the right to rescind, revoke, or amend this Program at any time without notice.
